**Study Questions:**

What are some popular phrases people use to add credibility to their words (ex: "I swear to God")?

When we talk about the character of God, one of His attributes, is that He is a FAITHFUL God. How would you explain this part of God's character to someone?

Read Isaiah 55:10-11. What do these verses mean to you? How do these verses give you hope? Do these verses give you a greater stability for the Word of God?

Jesus instructs the disciples not to swear by anything in creation for the Lord created it all, thus implying, when we are swearing on creation we are still swearing by the Lord. Why do we find it necessary to swear on anything when we make promises or vows?

Read Ecclesiastes 5:1-7. How do these verses connect with what Jesus was instructing the disciples with in the Sermon on the Mount? What does it mean to not be rash with your mouth?

Read Matthew 5:37. What does it mean when Jesus says that anything more than 'Yes' or 'No' comes from evil?

How can we cultivate being people of our word? In what ways have you overcome to help you be a truth-teller?

In your opinion, what was the most important takeaway from the sermon this week and why? How can you apply what stood out to you?
